

REMARKS

Applicant respectfully submits as shown in the amendments to the specification and claims, these corrections are needed for proper disclosure and protection of the invention and require no substantial amount of additional work on the part of the PTO. Applicant herein submits the Summary of the Invention paragraph, the Deposit paragraph in the specification and the claims have been amended in order to correctly identify the Plant Deposit Identification number with the corresponding Accession Number. This change does not add new matter.

Furthermore, the Applicant submits the issue fee is being paid separately.

No fees or extensions of time are believed to be due in connection with this amendment; however, consider this a request for any extension inadvertently omitted, and charge any additional fees to Deposit Account No. 26-0084.

Respectfully submitted,
